

**FIRST PRESBYTERIAN CHURCH
CHILD AND YOUTH PROTECTION POLICY**

Mission Statement

First Presbyterian Church’s purpose for establishing this Child and Youth Protection Policy (the “Policy”) and accompanying procedures is to demonstrate our absolute and unwavering commitment to the spiritual growth and safety of our children and youth.

As a Christian community of faith, we pledge to conduct a ministry that nurtures and protects the spiritual, physical, mental and emotional well-being of the children, youth, and adults who work with them in the following ways:

- We will follow reasonable procedures in the selection and recruitment of our volunteers.
- We will provide orientation for those who work with children and youth, regarding our mission, policies and procedures.
- We will implement prudent procedures to protect our children and youth for all programs and events.
- We will have a clearly defined procedure for reporting a suspected incident of abuse.
- We will welcome parents and guardians to visit and observe classes or activities.
- We will educate the congregation regarding our mission and this Policy.
- We will encourage those who utilize our facilities to embrace this Policy.

In all our ministries with children, this congregation is committed to demonstrating the love of God through Jesus Christ so that each child may grow unhindered in his or her faith.

Volunteer Application Form

All individuals who volunteer in our nursery, classrooms and programming will be requested to complete the attached volunteer application form, attend an orientation and confirm his or her agreement to comply with the terms of this Policy. Staff members will review the Volunteer Application Form and select volunteers based upon evaluation of its content. The confidential portion of the Volunteer Application Form will be maintained in locked storage.

Orientation

An orientation will be given to each volunteer by the appropriate staff member to review our mission, this Policy, to acquaint the individual with our programs, to answer any questions and to welcome the volunteer.

Two Adult Rule

Every effort will be made to adhere to the “Two Adult Rule” which requires two or more adults to supervise activities involving children (pre-school through 5th grade) and youth (6th grade

through 12th grade). Adults will be members of, or affiliated with First Presbyterian, for a minimum of six months prior to working with youth or children. Exceptions to this temporal requirement may be made by a staff member. Review of the volunteer's background will be made in the staff member's discretion.

Some exceptions to the "Two Adult Rule" may need to be made for activities such as confirmation mentoring, counseling and providing transportation. Exceptions should be handled by appropriate means such as:

- Obtaining parental permission
- Using an open-door policy
- Notifying the appropriate staff member
- Roving observer

A youth may help with activities for children and serve as the second person of a "Two Adult" team, provided that he or she is working with an adult over the age of 21. No worker under the age of 18 will have sole responsibility for children without special approval of staff.

Staff members with full background clearance may, if necessary, supervise children or youth alone, but they are encouraged to use the safeguards listed above, as applicable.

Safe Environments

Every effort will be made to provide a safe physical environment for children and youth as they participate in the activities of the church.

This will be done in part by:

- Providing windows in all classroom doors or open doors
- Reviewing rooms annually to ensure safety and eliminate potential hazards.
- Disinfecting nursery toys and equipment regularly.
- Using age-appropriate equipment for each classroom.

Children should be accompanied to the restroom by an adult (of the same sex when possible). The adult should verify that no one else is in the bathroom. The adult should exit the bathroom and inform the child she or he will wait in the hall, to the extent possible.

A sign-in system will be utilized for classrooms for children 1st grade and younger. Children in these classrooms will be released to a parent or guardian.

Release and Consent Forms must be filled out and signed at the beginning of each program year (September) for participation in youth programs. An example is included with this Policy. This form will cover the regular weekly program and special events related to the program. Any extended youth trip will require a Release and Consent Form specific to the event.

Any volunteer who provides transportation to children or youth will complete the Volunteer Application Form, specifically including the "Driving our Children" portion of the form.

First Responder/CPR/Health Training

First Presbyterian will facilitate First Responder/CPR/Heimlich training from time to time for all people working with children or youth on an as-needed basis. In special high risk areas (nursery, extended youth trips), every effort will be made to have a person trained in CPR/Heimlich in attendance.

Every effort will be made to be aware of any special health needs of our children and youth, such as food allergies and health conditions, and to be prepared to address these needs.

Reporting Suspected Abuse

If an allegation of abuse arises, every effort will be made to follow the steps identified in “Responding to Allegations of Abuse” attached to this Policy. The appropriate staff member will complete the “Incident Report” attached to this Policy.

In the interest of clear communication and sensitivity to the nature of the allegations, the Senior Pastor is the designated spokesperson for interacting with the media. In his or her absence, staff members will identify a substitute spokesperson.

Parent Observation and Information

Parents and guardians are welcome at all times to observe programming. Parents and guardians will be given advance notice and full information regarding events in which their children may be participating.

Congregational Education

A copy of this Policy will be made available to each committee of the church and upon request. It is important that our entire community seeks to achieve the missives stated in this Policy.

The Use of Our Facility by Non-Church Groups

Non-church groups who are authorized to utilize our facilities will be given a copy of this Policy. They will be encouraged to comply with its terms.
