

This graphic represents the gifts that we receive for ministry from our members, grouped into various levels:

\$10,000 and more  
\$5000 to \$10,000  
\$2500 to \$5000  
\$1000 to \$2500  
under \$1000

As you can see, our membership is diverse in their giving, yet there is a balance across the "pie." Every gift is important and contributes to the whole ministry of First Presbyterian.

### Why pledge?

Pledges are an external sign of an internal commitment to God's work through the church in this world. While gifts of any amount are always welcome, pledges help our Session and staff steward the church's resources wisely as they provide for the worship, ministry and care of our congregation.
